Activating support entitlement

Cloud Insights offers self-service and email support when running in trial mode. Once you have subscribed to the service, it is strongly recommended that you activate support entitlement. Activating support entitlement enables you to access technical support over the online chat, the web ticketing system, and the phone. The default support mode is self-service until registration is completed. See [details](#) below.

During the initial subscription process, your Cloud Insights instance will generate a 20-digit NetApp serial number starting with "950". This NetApp serial number represents the Cloud Insights subscription associated with your account. You must register the NetApp serial number to activate support entitlement. We offer two options for support registration:

1. User with pre-existing NetApp Support Site (NSS) SSO account (e.g. current NetApp customer)
2. New NetApp customer with no pre-existing NetApp Support Site (NSS) SSO account

Option 1: Steps for a user with a pre-existing NetApp Support Site (NSS) SSO account

Steps

1. Navigate to the NetApp registration website <https://register.netapp.com>
2. Select "I am already registered as NetApp Customer" and choose *Cloud Insights* as the Product Line. Select your Billing Provider (NetApp or AWS) and provide your Serial Number and your NetApp Subscription Name or AWS Customer ID by referring to the "Help > Support" menu within the Cloud Insights user interface:

Cloud Insights Support

NetApp Serial Number:
95011122233344455512

NetApp Subscription Name:
A-000012345

Support activation is required to enable support with NetApp through chat, ticket or phone. Activate Support at register.netapp.com.

☒ Check this box to allow NetApp access to your instance of Cloud Insights.

3. Complete the Existing Customer Registration form and click **Submit**.

Obtaining Support Information

NetApp provides support for Cloud Insights in a variety of ways. Extensive free self-support options are available 24x7, such as knowledgebase (KB) articles or the NetApp community. The Cloud Insights paid subscription technical support is available via chat, phone, or web ticketing. A NetApp Support Site (NSS) SSO account is required for chat and web ticket along with case management.

Self-Service Support:

These support options are available in Trial mode and are available for free 24x7:

- **Knowledgebase**

Clicking the links in this section takes you to the NetApp Knowledgebase, where you can search for articles, [How-to's](#), [FAQ's](#), or [Break Fix](#) information related to Cloud Insights.

- **Documentation**

Clicking on the Documentation link takes you to this documentation center.

- **Community**

Clicking on the community link takes you to the NetApp Cloud Insights community, where you can connect with peers and experts.

There is also a link to provide [Feedback](#) to help us improve Cloud Insights.

Subscription Support

In addition to the self-support options above, if you have a Cloud Insights paid subscription, you can work with a NetApp Support Engineer to resolve your problem.

You must register in order to [activate support](#) for NetApp Cloud products. To register, go to NetApp's [Cloud Data Services Support Registration](#).

It is highly recommended that you check the box to allow a NetApp Support Engineer access to your Cloud Insights environment during your support session. This will allow the engineer to troubleshoot

the problem and help you resolve it quickly. When your issue is resolved or your support session has ended, you can un-check the box.

You can request support by any of the following methods. You must have an active Cloud Insights subscription to use these support options:

- [Chat](#)
- [Phone](#)
- [Support Ticket](#)

You can also request sales support by clicking on the [Contact Sales](#) link.

Your Cloud Insights serial number is visible within the service from the **Help > Support** menu. If you are experiencing issues accessing the service and have registered a serial number with NetApp previously, you can also view your list of Cloud Insights serial numbers from the NetApp Support Site as follows:

- Login to mysupport.netapp.com
- From the Products > My Products menu tab, use Product Family “SaaS Cloud Insights” to locate all your registered serial numbers:
